*Faculty of Engineering*

[About Us](#) | [Departments](#) | [Programs](#) | [Research](#) | [News and Events](#) | [Contact Us](#)

Western Engineering was rewarded for integrating [sustainability](#) into its curriculum, being named among the best in the country in a national ranking. We came in a close second behind the University of Calgary in the seventh annual [Corporate Knights Magazine](#) survey. In 2008, we ranked fifth. ([read more](#))
