CEE Faculty Member Designated Diplomat, Water Resources Engineer (D.WRE)

Congratulations are extended to our own *Dr. Slobodan Simonovic* for receiving the designation of *Diplomat, Water Resources Engineer (D.WRE)* from the American Academy of Water Resources Engineers (AAWRE).

The Academy has conferred the Honorary Diplomat (Hon.D.WRE) status to 18 individuals and the D.WRE certification to 500 professional engineers. Each professional engineer has demonstrated the highest level of achievement in water resources engineering through their water resources engineering experience, advanced level of education, and contributions to the engineering profession. These individuals exemplify and embody the very best in the broad field of water resources engineering; from academia, public service, and private practice. AAWRE celebrate these outstanding leaders that have made significant contributions to the field of water resources engineering and leading by example in furthering AAWRE's mission to improve the practice, elevate the standards, and advance the profession of water resources engineering.
